# Our history

- **1995:** started digitizing scholarly journals and making them discoverable in a centralized archive
- **2012:** introduced Books at JSTOR, making academic book chapters discoverable alongside journal articles
- **2019:** enabled institutions to share their Open Community Collections on JSTOR
- **2021:** began integrating millions of artworks and photographs from Artstor on JSTOR

# Archival Journals

**Complete archival coverage:** All journals on JSTOR include the full archival run of every title, back to volume 1, issue 1.

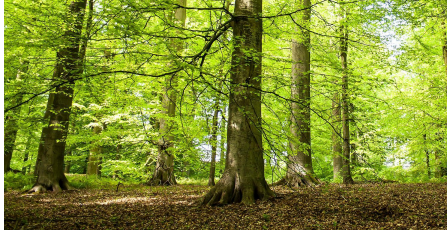

**Affordable fees:** JSTOR tiers its archival journal collection fees for colleges and universities according to country, institution type, and institution size.

## Multidisciplinary Collections

- Arts & Sciences I–XV
- Life Sciences
- Each is comprised of several core disciplines, including Language & Literature, History, Economics, and Political Science.
- 140 titles per collection (on average)
- Titles in 30 languages, from 57 countries
- Content spans more than 60 disciplines

## Discipline-specific collections

## Sustainability

Named a 2020 “must-have” database by Library Journal in the Nature and the Environment category

- 103 scholarly journals
- 5,400+ reports from 30 global policy institutes
- Special topic page for exploration of over 1,500 related topics

## Security studies

Coverage of diverse and emerging issues within targeted programs across campus

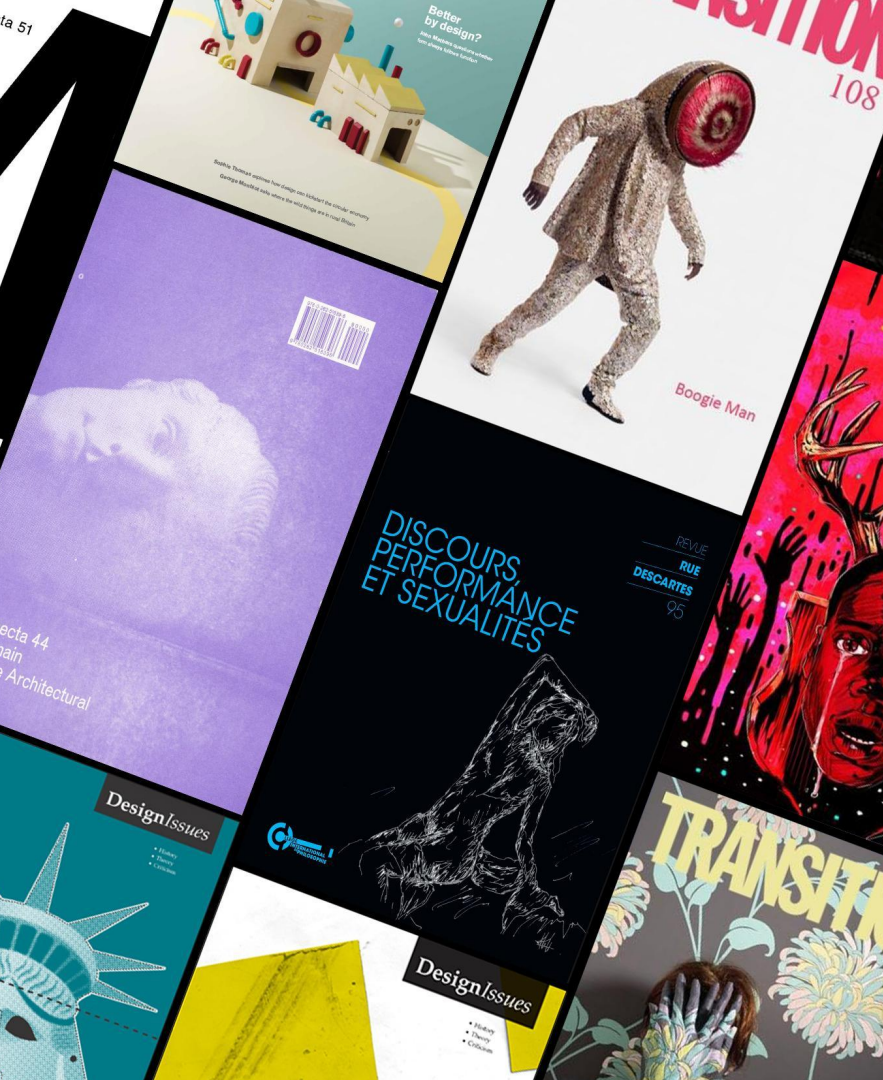

- 75 journals, 100 policy institute reports
- Policy institute reports and notable journals
- Special topic page for exploration of over 900 related topics

## Lives of literature

Extending JSTOR’s rich support of literature and humanities

- 100 journals released in
- Our most-searched area
- Diverse coverage of works and authors
- Contextual and inclusive author

## Archive Journals What's included?

- All issues, from volume 1, issue 1, are provided for every journal up to the moving wall, including all previous and related titles.
- Each journal has a "moving wall," defined as a time lag between the most current issue published and the content available on JSTOR. *Most archival journals have moving walls of between 3 and 5 years, but publishers may elect walls anywhere from zero to 10 years.*
- Tools to enhance user engagement and collaboration

# Ever-growing archives

Each year we add hundreds of thousands of articles to the archives as the moving wall for each journal advances, at no additional cost to you.

**Archive growth in 2020**

**231,000** added articles

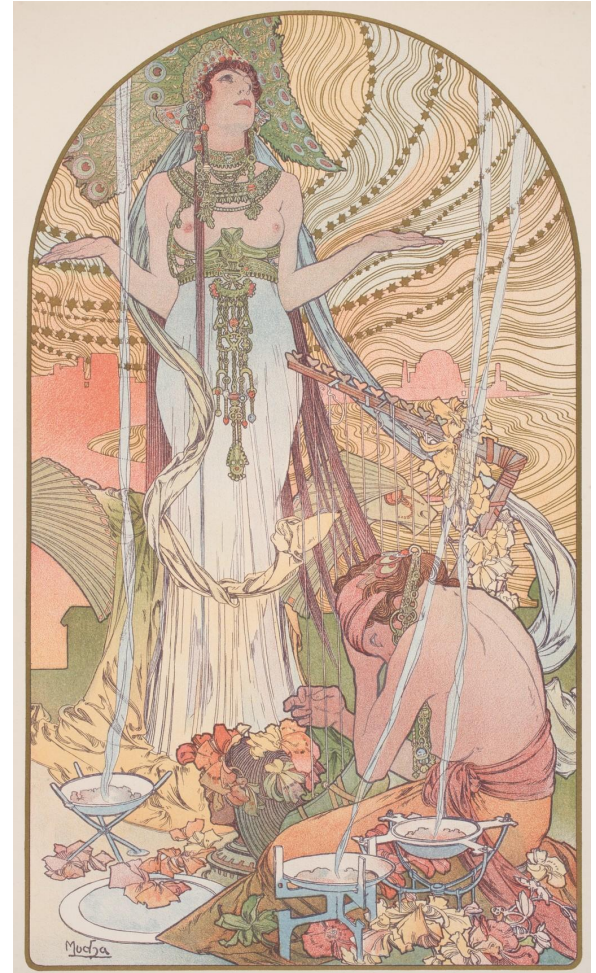

**25** new journal titles

**Total archive journal content**

**13.3M** articles

**3,400** journal titles

Part of an increasingly diverse set of primary sources, research reports, and special collections

The screenshot shows the JSTOR search results page for the query "arts and crafts". The page is divided into several sections:

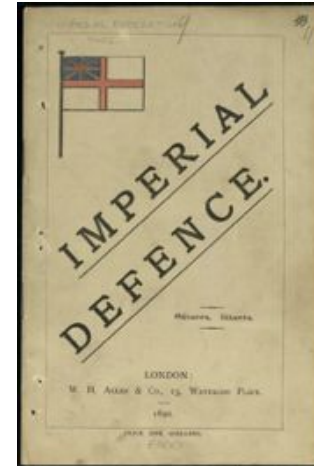

- Header:** The JSTOR logo is on the left. A search bar contains "arts and crafts". On the right, there are links for "Log in" and "Register". Below the search bar are "Search", "Browse", and "Tools" dropdown menus. Further right are "About" and "Support" links.
- Refine Results:** On the left side, there is a "Refine Results" section with a "SEARCH WITHIN RESULTS" box. Below it are three categories of content with checkboxes:
  - ACADEMIC CONTENT:** Journals (245,865), Book Chapters (90,955), Research Reports (1,178).
  - PRIMARY SOURCE CONTENT:** Serials (8,343), Images (4,029), Documents (2,528), Books (429).
  - PUBLICATION DATE:** Fields for "FROM" and "TO" with a date format instruction "(yyyy or yyyy/mm or yyyy/mm/dd)" and an "Apply" button.
  - SUBJECT:** African American Studies (2,812).
- Main Results:** The main area shows "353,327 results" and "4,029 image results". Below this is a grid of image thumbnails with captions:
  - "Arts and Crafts Companion" (a colorful abstract painting)
  - "School of Arts and Crafts" (a street view of a building)
  - "School of Arts and Crafts" (another street view of a building)
  - "Tea and Coffee Service" (a set of teapots and cups)
  - "Arts and Crafts vase" (a red vase)
- Additional Results:** Below the grid, it shows "349,298 results" for a "JOURNAL ARTICLE" titled "Arts and Crafts" by "Howard S. Becker". The article is from the "American Journal of Sociology", Vol. 83, No. 4 (Jan., 1978), pp. 862-889. A snippet of the abstract is visible: "... Arts and Crafts Howard S. Becker Northwestern University 'Art' and 'craft' are two contrasting kinds of aesthetic, work organization, and work ideology, differing in their emphases on the standards of utility, virtuoso skill, and beauty. Activities organized as craft can become art when members of established art worlds take over their..."
- Actions:** On the right side, there is a "View all images" button. Below the article snippet, there are three buttons: "Download PDF" (in red), "Save", and "Cite".

# Expanding to primary sources and images

By combining essential scholarship and primary sources in the same environment, JSTOR strengthens the depth and quality of research, inspires innovative connections, and sparks unexpected discoveries.

- Indexed in Google
- Syndicating to discovery services
- Easy integration with course syllabi/LMS
- Developing services
- Delivering impact statements

# Your Special Collections

Do you have digitized primary source collections?

Would you be interested in making them available on the JSTOR platform?

Supporting JSTOR users  
and library community  
in 2020

# Identifying how JSTOR could help

- **Immediate needs**

- Remote access options became urgent as physical locations shut down
- Librarians and admins required support to address increased access demands
- Faculty and students needed additional help finding digital resources
- There was a marked interest in scholarly pandemic-related content

- **Economic impact**

- The timing of the impact could vary depending on the institution
- The response needed to be fair and equitable – and fast

# JSTOR's support for libraries during COVID-19

- **In partnerships with publishers, we expanded access to unlicensed content**
  - Journals and primary sources
  - Collection of 34,000+ ebooks
  - Artstor Digital Library
- **Enhanced remote access options for easier off-campus access**
  - Introduced Google Social Sign-On
  - Account pairing introduction
  - URLs with proxy
- **Additional resources**
  - Gave free access to 26 Public Health Journals and 6,000+ editorially selected articles about COVID-19
  - Increased free online reading program for unaffiliated users from 6 to 100 articles/month
  - Created dedicated JSTOR Daily content such as a pandemic syllabus
  - Produced ITHAKA S+R reports on the crisis and its impact on higher education

# COVID-19 fee relief initiative

- Established a \$4 million initiative to help participating libraries impacted by COVID-19
- 5% fee relief on JSTOR Archives and Artstor annual access fees for one year
- Libraries have three years to use this credit (2021-2023)
- Can be used to license additional resources
- Fee freeze for JSTOR Archives and Artstor for 3 years (through 2023)

# Shifting research subject areas

- Health Sciences, Ecology, and Evolutionary Biology usage increases expected
- Double-digit usage increases for Religion, Philosophy, Archaeology, and Music
- May indicate a previous reliance on print resources and less e-resource adoption for some humanities disciplines

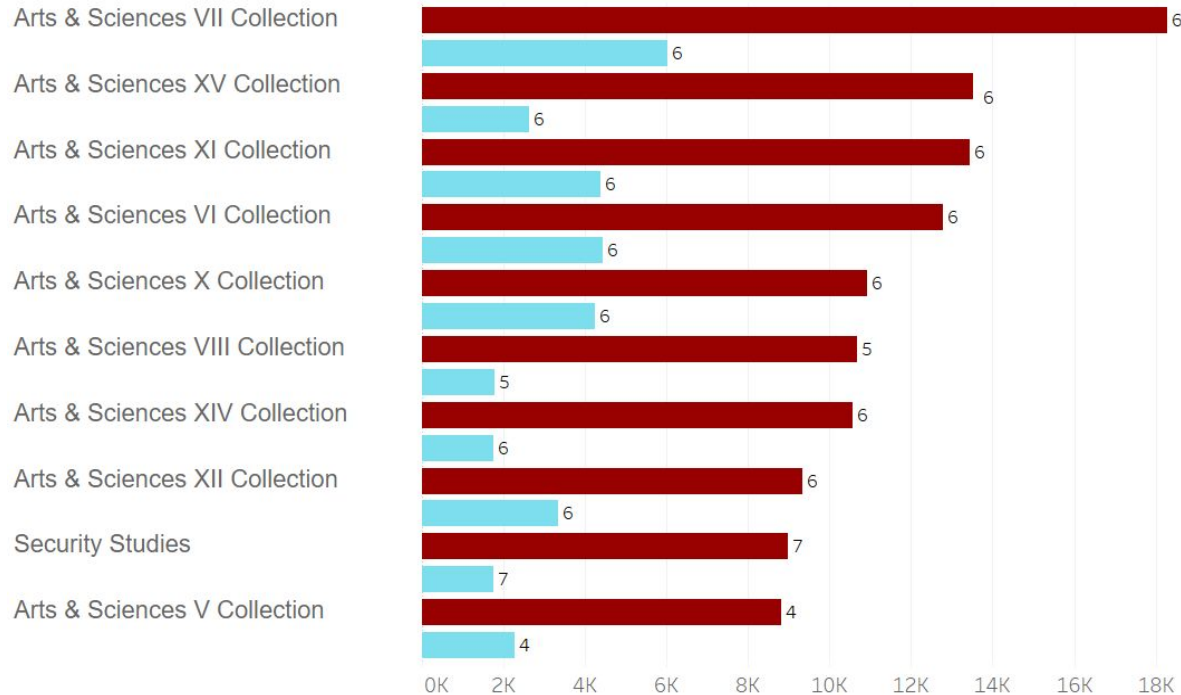

**Top 10 content usage change in disciplines: 2019 vs. 2020**
